The Council heard testimonials from the following brothers: Don Fitzgerald and Wayne Prichard.

Brother Don Fitzgerald (St. Louis Alumni Chapter) presented the following testimonial:

Whereas Brother Dawn Libbert has been a collegiate chapter President, National Collegian of the Year and the Midwestern District Director of the Year, thus earning the term of “Super Brother,” whereas Brother Libbert was generous enough to allow her name to be submitted as the candidate for the South Central Provincial Vice President and flying in to save the day and thus taking enormous pressure off of myself and the other Regional Directors to run, thus earning the term of our “Super Hero.” Therefore, let it be known throughout the Province that she is our very own Wonderwoman and her new name will be “Super Dawn.” No Super Hero can be completed without the proper outfit. Let it be resolved that at this and future Provincial Council Meetings, Dawn must wear her Super Cape in honor of what she has meant to all of us.

Whereas Brother Onuka Ibe and I have spent the past five years being brothers, starting as pledges together, whereas Brother Ibe and I shared executive positions at the Iota Nu Chapter, whereas Brother Ibe has served with myself in a District Director position while I was Iota Nu's President, whereas Brother Ibe has shown consistent dedication to our chapter, province, and the Fraternity as a whole, whereas Brother Ibe is completely responsible for my new nickname "One Hand Wayne," whereas Brother Ibe has made it completely clear what a Brother is and should strive to be. You've been a role model since initiation. We should all endeavor to strive to his level of brotherhood. Be it resolved that I am proud to call Brother Ibe my friend and Brother. Furthermore, it has been a great honor to serve with Brother Ibe and I look forward to our future in our brotherhood.
